Sat, 09 Jun 2018 01:41:00 GMT - Finally, Professor Canter examines how forensic psychology is used, particularly in prisons, to help in the management, treatment and rehabilitation of offenders. The short but up-to-date reference list is a valuable tool for gathering further information. To sum up, the author gives a valuable account of the challenges faced in forensic psychology.

Tue, 12 Jun 2018 12:22:00 GMT - forensic psychologist using the narrow definition of forensic psychology just presented. For reasons such as these, many psychologists have problems with using narrow defini-tions to define the field of forensic psychology. By their very nature, broad definitions of forensic psychology are less restrictive than narrow definitions.

### **An Introduction to Forensic Psychology - Pearson UK -**

Wed, 13 Jun 2018 17:00:00 GMT - Forensic psychologists are charged with using the results of their assessment to help or educate the court, without regard to the potential benefits to the examinee. In forensic psychology, the role of psychiatric diagnosis is generally less critical an issue.
